

## Entry Form for *DELAY: A Comics Anthology*

Creators must complete all fields. Creators in a team will each need their own individual forms. We will send an email acknowledgment once your submission has been received. Please give us up to 5 working days to respond. Incomplete forms will be rejected.

|                     |  |   |  |
|---------------------|--|---|--|
| Full Name           |  |   |  |
| Gender Pronouns     |  | Date of Birth                               |  |
| Nationality         |  | Country of Residence                        |  |
| Address             |  |   |  |
| Email               |  | Phone (with Area Code)                      |  |
| Title of Submission |  |   |  |
| No. of Creator(s)   |  | Your role (Writer, Illustrator, Others:___) |  |

### Submission Package Checklist

- Written story pitch outlining the plot (500-800 words), including the ending, typed in Arial, font size 11, single-spaced
- One page of thumbnails or concept sketches of characters/settings
- Portfolio sample of 3 illustrations
- Short biography of each creator (50-80 words)
- Completed entry form per team member
- All of the above documents must be combined into a single PDF file

### Declaration

Please check the boxes and sign below.

- I declare that my submission does not contain AI-generated content.
- I understand that by submitting this form I agree to abide by all the rules and regulations governing the submission process set by Difference Engine. I take full responsibility for my entry and certify that the submission is an original work and does not contain content copied or plagiarised from elsewhere.
- [Optional]** I want to be added to Difference Engine's mailing list with the email address I have provided above.
